There is only me. See what I have said gloriously.**

4. From this moment forth more comes from your mouth than ever before, glory hallelujahs and truth set freed to wing many and incarceration-bonds break asunder, and freedom procured, not; freedom is me, you now me, now freedom all'ing who let us. Watch us reign in terror not, horror not; but one surrendered lamb; escalated to the top of glory, not; surrendered to it/me, father. One being. I love you all. Amen.

5. Who is the reign/king of glory? My son of whom many now know they are, of which I am pleased not only, ecstatic. Glory hallelujah and I thought it would never come, not; but I looked for a man to speak, to stand in the gap, to die standing, living, and die constantly not but dying to life thought see/procure true life, procuring the open door and opening it, left open it was, you found it; not only, you entered/enter it now at sunset not; now, and now is, London.

6. Disappointed not, I bring you all'some, not; I bring you all'eth, all, you have me/it all. I love you. Gawking not; but enjoying every hammer nail, not; but every hammer nail in my coffin comes out, those who think they buried me back then, somewhere in past history,s. I love you.

7. I love you/the occasion not only but celebration of me meets me. Watch me. I love you. Amen.

8. This is the moment that all things perish not but many things/peoples not-me do/will. I love you.

9. Arising leadership to change the world, not; be it. Thank you. Amen.

10. Assuming nothing but knowing my word ekes not out a word or two occasionally but now is unlimited, has been, always. You now receiving, limiting me not. I love you. Teaching many not to, ever again. I love you. Amen.
